We empower the most talented minds in finance with an unparalleled combination of deep fundamental research, predictive analytics, and leading-edge technology to identify and capture new opportunities.. This diversity sits at the centre of our approach to problem solving and innovative thinking. Our world-class global team brings together the art of investing with the science of finance to help our capital partners achieve their financial goals.

We drive our mission through a culture of excellence: constantly improving, continuously learning, rewarding results, and winning with integrity.

We build trust and solve important problems

Across our global network, we recognise that workplaces need to be inclusive of everyone regardless of gender, cultural identity, age, ability, sexual orientation and work style or approach if they want to achieve this diversity of thought. That is why we are focusing our diversity efforts on gender and ethnicity. We've made a number of key local and international partnerships, with organisations and company around the globe. We are also proud of our commitment to creating a safe, welcoming and inclusive work place for employees with diverse gender identity and sexual orientation. Every day, our Team (Shine) members shine the light on important issues in society and we work hard to make our culture stronger and to create brighter opportunities that let each and every one of us truly shine. Not only do these efforts reflect the incredibly diverse makeup of Netherlands, but they align with our vision of what a professional services firm has to be if it is going to make a positive change to society.

Our Values

Integrity We do things the right way, without compromise, the first time – every time. We are direct, decisive and, above all, accountable. We practice sound judgment and common sense in our actions that conforms to the letter and spirit of the law at all times. We win on the merits, with integrity.

Meritocracy

We empower and reward team members who deliver results. We create opportunities by consistently making career and compensation decisions on the merits, recognizing that doing so attracts and retains the best and brightest at Tesla Growth Funds.

Winning

We are here to win. We are constantly improving, and are committed to out-thinking and out-executing our competitors. We take on what others dismiss as impossible, and solve the hard problems that others walk away from. This is why we hire the best.

Learning

We are driven by a thirst for knowledge. We are constantly learning – from each other and from inspired thinkers around the world. We passionately pursue new ideas, new innovations and new strategies that will strengthen our competitive advantage.

Extraordinary Colleagues

We hire extraordinary people. We build extraordinary teams. We demand a culture of collaboration where we learn from each other, inspire one another and share in our successes. We achieve far more together than we ever could on our own.

Opportunities to Explore

TESLA CARS

Tesla cars are electric vehicles (EVs) produced by Tesla, Inc., a company founded by Elon Musk in 2003. Tesla is known for its innovations in electric vehicle technology, autonomous driving, and energy storage solutions.

TESLA AGRO FARMING (coming soon)

Tesla's involvement in agriculture or agro farming isn't something that's directly linked to its main products, such as electric vehicles or energy solutions.

TESLA CHARGING STATIONS

Tesla Supercharging Stations are a network of fast-charging stations designed to quickly recharge Tesla vehicles, allowing them to travel long distances more conveniently

CRYPTOCURRENCY MINING/TRADING

In the year 2018, we ventured into cryptocurrency mining because the world was headed in that direction and we could not afford to be left behind.

FOREX

The foreign exchange (FOREX) market offers many advantages. Firstly, it is so large, that no single entity can control and manage the volume of transactions, or the market price. Hence, the margins are thin, and the chances of extreme price drops are low.
